

## EXPANDING YOUR SYSTEM

In addition to regular Lamp Modules and Appliance Modules, etc., the modules illustrated below represent just a few of the wide range of X10 modules you can choose from to expand your Home Automation system.

X10 Home Automation products also integrate with X10 security systems, so you can use the security remotes that come with them to control macros and flash lights when the security system is tripped.

Check out our Web Site at: [www.x10.com](http://www.x10.com) for more information on these and many other X10 products.

The **HawkEye and ActiveEye Motion Sensors MS15A and MS16A** can trigger a macro when someone enters a room or approaches your home.

The **Dual Floodlight Motion Detector PR511** turns on at dusk and/or when it detects movement, and sends X10 signals to control other modules, or trigger ActiveHome Pro macros.

Fit a **Wireless Wall Switch SS13A/ SS15A** anywhere you need an extra switch - with no wires. Sends commands to the Transceiver Module just like a remote.

The **PowerFlash Module PF284** connects to dry contact or low voltage alarm terminals on your burglar alarm system and flashes X10 controlled lights when it is triggered.

Switch entrance or garage lights on from your car with the convenient **Keychain Remote KR21A**.

## Expanding Your System

Replace your existing wall switches with the **Wall Switch Module WS467**. Installs like a regular dimmer. On/Off and Bright/Dim functions. Other models available for 3-way and fluorescent lighting.

Control a ceiling light, closet light, etc. with the convenient **Screw-in Lamp Module LM15A**.

Replace existing AC wall outlets with the **Receptacle Module SR227**. Has one 15A/1800W controlled outlet and one outlet which is always on.

Use a controller to trigger the **Remote Chime Module SC546** to call Dad up for dinner, or warn people you're about to turn on the sprinklers.

Use the isolated contacts on the **Universal Module UM506** to control pool pumps, sprinklers, drapes and other low voltage equipment. Includes built in warning beeper.

The **Thermostat Setback Controller TH2807** mounts below your thermostat to reduce the room temperature at night or at the times you set to save energy. No wiring needed to your existing thermostat.

Plug in a **Heavy Duty Module HD245** to control 220V appliances such as air conditioners and water heaters.

Also compatible with FireCracker Computer Interface. See [www.x10.com](http://www.x10.com) for details.

## **FCC Caution**

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES. OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS:

- (1) THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE, AND
- (2) THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRE OPERATION.

This equipment generates and uses radio frequency energy, and if not installed and used properly, that is, in strict accordance with the manufacturers instructions, it may cause interference to radio and television reception. It has been type tested and found to comply with the limits for remote control devices in accordance with the specifications in Sub-Parts B and C of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, which can be determined by unplugging the equipment, try to correct the interference by one or more of the following measures.

- Reorient the antenna of the radio/TV experiencing the interference.
- Relocate the equipment with respect to the radio/TV.
- Move the equipment away from the radio/TV.
- Plug the equipment into an outlet on a different electrical circuit from the radio/TV experiencing the interference.
- If necessary, consult your local dealer for additional suggestions.

**NOTE:** Modifications to this product will void the user's authority to operate this equipment.

## **X10 Wireless Technology, Inc. Limited One Year Warranty**

X10.com, a division of X10 Wireless Technology, Inc. (X10) warrants X10 products to be free from defective material and workmanship for a period of one (1) year from the original date of purchase at retail. X10 agrees to repair or replace, at its sole discretion, a defective X10 product if returned to X10 within the warranty period and with proof of purchase. If service is required under this warranty:
